PUBLICATIONS

Scholarly Book or Monograph Chapters In Print Or In Press:

Figueredo, A.J., Jacobs, W.J., Burger, S.B., Gladden, P.R., & Olderbak, S.G. (2011). The biology of personality. In Terzis, G., & Arp, R., (Eds.), *Information and the Biological Sciences*. Cambridge, MA: MIT Press.

SCHOLARLY PRESENTATIONS

Oral Conference Presentations Given (Submitted)

Burger, S.B. (2017). Neuropsychology evaluation primer: Who we are and how we can help. Presented August 4 as part of CNS's 2017 Neuroscience Symposium, Marana, Arizona.

Burger, S.B. (2017). Traumatic brain injury: Recovery of function following brain trauma (it is a process!). Presented April 20 as part of TMC's Brain Week, Tucson, Arizona.

Burger, S.B. (2017). Neurocognitive assessment tools: From research to practice. Presented March 8 as part of the Alzheimer's Association Annual Education Conference, Tucson, Arizona.

Burger, S.B. (2016). The old brain vs. the dementia brain: A discussion of maturational vs. neurodegenerative changes in function. Presented November 13 for a TMC Foundation Private Event at La Encantada, Tucson, Arizona.

Burger, S.B. (2014). The young brain, the old brain, and the dementia brain: A discussion of maturational vs. neurodegenerative changes in function. Presented November 3 as part of Pima Community College's 2014 Speaker Series, Tucson, Arizona.

Breitborde, N.J.K., Woolverton, C., C., Burger, S.B., Hanson, K., Patwardhan, S., & McFarlane, W.R. (2012). Multifamily group psychoeducation and cognitive remediation for first-episode psychosis: Preliminary data from a randomized trial. Presented as part of a symposium for presentation at the 8th International Conference on Early Psychosis, San Francisco, California.

Burger, S.B., Nevarez, N., & Jacobs, W.J. (2011). My spidey sense is tingling: prediction errors in anticipated responses to a caged spider. Presented by N. Nevarez at the McNair Scholars Symposium in August. 2011. Tucson, Arizona.

Burger, S.B., & Jacobs, W.J. (2010). On the context-specificity of specific fears and phobias. Presented at the Annual Meeting of the Anxiety Disorders Association of America. Baltimore, Maryland.

Burger, S.B. (2008). An investigation of the context-specificity of anticipated phobic reactions: spiders, snakes and rats. Presented at the University of Arizona Departmental Mini Convention. Tucson, Arizona.

Gladden, P.R., Burger, S.B., Figueredo, A.J., & Jacobs, W.J. (2006). Life history, social deviance, personality, and intelligence: A psychometric study. Presented at the Annual Meeting of the International Society for Intelligence Research, San Francisco, California.

Poster Presentations Given (Submitted)

Burger, S.B., & Jacobs, W.J. (2013). My spider sense needs calibrating: Anticipated reactions to spider stimuli poorly predict initial responding. Presented at the Annual Meeting of the Anxiety and Depression Association of America. San Diego, California.

Burger, S.B., Woolverton, C., Hanson, K., Patwardhan, S., & Breitborde, N.J.K. (2012). Coping strategies among individuals with first-episode psychosis and their caregiving relatives: Associations with anxiety and depression. Presented at the 8th International Conference on Early Psychosis, San Francisco, California.

Breitborde, N.J.K. Woolverton, C., Burger, S.B., Hanson, K., & Patwardhan, S. (2012). Illness perception among individuals with first-episode psychosis and the caregiving relatives: Associations with anxiety, depression, and quality of life. Presented at the 8th International Conference on Early Psychosis, San Francisco, California.

Breitborde, N.J.K. Woolverton, C., Burger, S.B., Hanson, K., & Patwardhan, S. (2012). Problem-solving in first-episode psychosis: Associations with symptomatology, social and occupational functioning, and quality of life. Submitted for consideration for presentation at the 8th International Conference on Early Psychosis, San Francisco, California.

Woolverton, C., Burger, S.B., Hanson, K., Patwardhan, S., & Breitborde, N.J.K. (2012). Social cognition domains and their relation to memory functions among individuals with first-episode psychosis. Presented at the 8th International Conference on Early Psychosis, San Francisco, California.

Burger, S.B., Nevarez, N., & Jacobs, W.J. (2011). My spidey sense is tingling: prediction errors in anticipated responses to a caged spider. Presented both to the Arizona Board of Regents (August, 2010) and in the Graduate and Professional Student Council Research Showcase (November, 2011) by N. Nevarez.
This poster was recipient of First Place in the Social Science and Law Category and of the President's Award at the Showcase, with associated cash prizes totaling \$750.
